### **Japanisch ?**

I'm not curious, but ... i'm curious ! Need a translation ! My japanese is a little bit ... hmmm ... not existant . I guess, a teacher 14 years ago was right by saying "It makes more sense to learn japanese than learning latin, except you want to study biology". I learned french ...

Translation:

'Completely unrelated to anything, such a nice domain, <http://c0t0d0s0.org>, is probably a Sun person'
