PBS | I, Cringely . Archived Column

12) There is no evidence that Sun will change its current course, which is inexorably downward. I know Jonathan Schwartz thinks I'm crazy, but so far I am more right than he is, and hear no reason coming from him why that should change.

Es kommt eine ganze Menge, und die ernsthafteren Kommentatoren haben das auch schon bemerkt .. ansonsten: kein weiterer Kommentar, nur der Vollst?igkeit halber...
