### Podcasting presentation

This was the presentation i´ve finalized on this weekend. It was intended for an internal audience in Germany to introduce the idea of podcasting to them in the context of a project i´m working on together with Constantin Gonzalez. I think i will add an audio track to this preso soon:

PS: The diagram on page 58 is from the wikipedia entry for podcasting.

Excellent and beautiful.

There's a small "doppelt-gemoppelt" on p.85: "geben vortragen"
