INTJ

Nice tool to find out the Myers-Briggs personality type of your blog. Or better: The personality type you show in your blog as it "reads" your blog: c0t0d0s0.org is an INTJ. Okay, this matches my own experiences with such tests - they sort me consistently in the INTJ or ENTJ groups

Hehe, funny link. My blog is an ESTP, so it almost matches my personal ENFP type. I really would like to know how the Typelyzer works.

"Detected language German. The only supported languages are English and Swedish. But stay tuned, we are expanding."

Grrrr.
