### **Adobe Flash Player 10 for Solaris 10**

Good news from Adobe. They released the Flash Player 10 for Solaris and Opensolaris on x86 as well as on SPARC. Nice! You can download it at the usual location.

still waiting for Acrobat Reader on solaris/x86...  
Anonymous on Feb 25 2009, 12:36

The wait is about the get over.  
See the sneak preview of it at: [http://blogs.adobe.com/acroread/2009/03/sneak\\_preview\\_of\\_adobe\\_reader.html](http://blogs.adobe.com/acroread/2009/03/sneak_preview_of_adobe_reader.html)
